

Joseph Allen's Contract motorized shades give users complete control of the natural light. All of our contract shades are powered by Somfy motors, a leader in the motorization industry. From simple hand held infra red controls, to advanced digital IP technology, Somfy controls it all. Ask your Joseph Allen representative how you can couple your shades, and use one motor to power up to three shades, A very cost effective way to automate your next project.

PHIFER SHEERWEAVE

Phifer combines the elements of high design and engineering expertise to produce aesthetically pleasing performance fabrics for both interior shading and outdoor furniture upholstery. With continuous efforts to address current market issues, Phifer has introduced several commercial products that are 100% recyclable and air quality certified.

Features

- Choose from over 16 styles, and 150 colors
- GreenGuard certifications available
- Large rolls for seamless shades
- Large assortment of FR rated fabrics
- 5 Year Warranty

MERMET

Mermet fabrics are GREENGUARD and Oeko-Tex certified, and fire rated to NFPA 701 standards. These certifications mean that Mermet fabrics meet or exceed the stringent field-validated standards for “low emissions” and are safe to use in all building interiors. Low-emitting products that qualify for GREENGUARD Indoor Air Quality and GREENGUARD Children & Schools certification are recognized as credit criteria for several different points in the USGBC’s LEED® GREEN BUILDING Rating System.

Features

- Choose from over 11 styles, and 100 colors
- GreenGuard certifications available
- Large assortment of FR rated fabrics
- 5 Year Warranty
